The South Dakota Association of Family, Career and Community Leaders of America Advisory Board met on Tuesday, November 3rd. The board has not formally met since 2004 so there were many topics to discuss.

The board discussed at length the expenses of state meeting. Since we were unable to pay all of our state meeting expenses with the current registration fee, it was decided to raise the attendee registration fee to \$38.00 starting at the 2010 state meeting. This is the first increase since 2002. Additionally, the board voted to raise

Illustrated Talk and Job Interview registration at state meeting to \$7.00.

The board evaluated the current STAR Events offered and voted to continue with the STAR Events that have been offered and add the Environmental Ambassador event. A complete list can be found on page 4 of this publication. A survey will be done to evaluate the events that are not offered.

After much deliberation and looking at data, the board voted to continue holding state meeting in Sioux Falls. The fall leadership will be held in Rapid City and peer education training will held at the

same time fall leadership is occurring.

Districts have been charged a maximum of \$3.00 per member and that will stay in place for this year. Starting in the 2010-2011 school year, that fee will go to a maximum of \$3.50.

The advisory board will bring forth a by-law change at the 2010 state meeting. This change will focus on the members of the advisory board, how they are selected and length of terms.

Dig It --Growing Miracles with FCCLA

Just a few things to help you as you work on the national outreach project.

1. You received a packet of seeds—these are not to sell. You can take them and plant them where you think they will be most helpful.
2. Send your checks to Children's Miracle Network. In the memo write: **FCCLA (city) (zip code)**
